Developed with and approved by our Lifesaving Commission, the Surf Life Saving GB Volunteer Beach Patrol Kit is the official wear for our lifeguards on duty. Identity is important. It's important because our volunteer beach lifeguards are the first point of contact for members of the public on the beach and in the sea. Surf Life Saving GB has developed a clear and strong look with space for its clubs to add their own logo to enhance this.

Any club wishing to use their own Volunteer Beach Patrol Kit should do so only with the express written permission of Surf Life Saving GB.
