

## Child Protection

We strongly advise that all team managers, officials and event helpers involved in the event, are named on the event helpers list and hold a current CRB check with SLSGB.

There will be a nominated official at the event to which any concerns should be raised.

People wishing to take photographic images must register their intention to do so with the nominated official. They will be given a highly visible badge to wear. Event organisers may seek to challenge or take appropriate action where concerns are raised by participants or others about persons taking photographic images.

By entering the competition you agree to the following. As our events are held in public places, by participating in these championships competitors may be photographed and these may be published.

## Equipment to be provided by competing clubs – manikins

Each club must provide at least 2 ILS specification manikin for the competition. We need at least 8 manikins to run events where manikins are used, and 16 for the 200m Super lifesaver. Having more manikins available will mean that the turn-around time between events will be significantly shortened. Ensure your manikin is clearly marked with your club name.

SLSGB are not responsible for a loss or damage to manikins or tubes. Please make sure that they are properly identified.

## Rules for the event

For the purposes of this event the ILS Rule Book for events will be used which can be found on our website [www.slsqb.org.uk](http://www.slsqb.org.uk)

## Heat Draws / Entry Times

All events will be decided on a heat-declared winner basis, heats will be seeded according to entry times. Heats for individual events will be drawn based on entry times as declared on the entry forms.

The fastest declared entry times will be drawn in the last heat. Where no entry time is declared the individual will be drawn in the first/early heats.

Clubs are reminded that they must only enter times that have been achieved by competitors. It is unfair to enter times that have not been achieved or that are unrealistic. All this does is place the competitor in a potentially embarrassing position as they may have to swim in a heat where they are clearly far slower than other competitors. This is also unfair on those who should rightly be seeded into the fastest heats on their ability.

The purpose of seeding competitors by entry time is to try to ensure that races are competitive and competitors swim in heats with others who can achieve similar times. Entering false or unrealistic times is deemed unfair practice and goes against the SLSGB's Fair Play Code.

## Event Helpers and Time Keepers

Each competing club must supply 1 timekeeper (they must bring Stopwatches, pens/pencils, clipboards and wear a white top as a minimum please). Other events helpers also need to be provided to help to move equipment as determined by the referee, for the duration of the competition. Each competing club must also provide at least 1 suitable adult (able to spend a considerable amount of time in the water) for each 8 competitors entered, to help reset the manikin events.

If there are insufficient event helpers or timekeepers, the organisers may have no option but to cancel one or more events on the day.

## Closing Date and submission of entries

The closing date for entries is 6pm Monday 10<sup>th</sup> April 2017. All entries must be submitted electronically via email to all of the following addresses by this date: Any late entries made after this time will be subject to a **50% surcharge on fees**. No entries will be accepted any later the 48 hours prior to the start of the event.
