

# TRAINING AND COACHING

SurfLifeSavingGB

*Do you have pride, passion and commitment to promote, deliver and coach SLSGB awards??*

Then this is the remit for you, offering units (and recruited positions) that allow individuals to work towards awards that will allow them to deliver, assess and coach individuals through all of our education pathways.

AWARDS	AWARD AIM	MINIMUM AGE AT ASSESSMENT:	MINIMUM GUIDED LEARNING HOURS (GLH)	PRE-REQUISITES	VALIDITY	TRAINED BY	ASSESSED BY	MEMBER ASSESSMENT FEE	NON-MEMBER ASSESSMENT FEE	RPL - RECOGNITION OF PRIOR LEARNING This is a method of assessment that considers whether a learner can demonstrate that they can meet the assessment requirements for a unit through the knowledge, understanding or skills that they already possess and so therefore, do not need to develop these through a course of learning.	CPD - CONTINUOUS PROFESSIONAL DEVELOPMENT (ANNUALLY) This is the process of tracking and documenting the skills, knowledge and experience that you gain both formally and informally as you work, beyond any initial training. It's a record of what you experience, learn and then apply.
