

Trainer Assessor Trainer (TAT)

Overview: To train Surf Life Saving GB Trainer Assessors as per the relevant qualification requirements, under the guidance of the National Education and Training Manager.

Responsible to: National Education and Training Manager

Responsible for: Training new Trainer Assessors to deliver the SLSGB Education Pathways

Main Duties and Responsibilities:

- Actively engage in the development and assessment of Trainer Assessors
- Support, advise and mentor Trainer Assessor candidates in their development through the SLSGB education pathways.
- Help identify, support, advise and mentor aspirant Trainer Assessor Trainers.
- When required, attend and contribute to training development meetings, workshops and other education events.
- Maintain accurate and timely records for courses and candidates and ensure that these are updated to the MIS.
- Contribute to updating and development of learning content, guidance and support materials for use with SLSGB Trainer Assessor Qualification or other SLSGB Educational pathways
- In consultation with the National Education and Training Manager develop your own CPD programme to ensure that your contribution to SLSGB training is up to date and reflects current best practice for education and training.

Personal Profile

- Able to demonstrate by example and experience best practice teaching techniques
- Good two way communication skills (delivery and listening)
- Excellent presentation skills with both audio visual and normal class room (Flip chart and white board) equipment
- Able to assess and interpret TA candidates prior learning and incorporate this into the training programme to be undertaken
- Understands the language used for assessment
- Treats all with respect, is candid, and protects confidential information.
- Understands and supports equality of opportunity
- Has the ability to write and speak in plain, clear and correct English and to use language that is free from bias and appropriate to the training environment
- After training, has the ability to make accurate judgements about the standard of candidates' coaching performance, knowledge and development needs.

Training and Qualifications:

- Essential:** Must hold a recognised SLSGB Trainer Assessor Qualification (if this is not a Surf Life Saving qualification we would expect a significant amount of delivering training and education programmes)
- Previous experience of teacher/trainer development activity
- Hold a minimum of the National Vocational Beach Lifeguard Qualification (or the commitment to undertake and complete this qualification)
- Desirable:** PTTLs/PGCE/Cert Ed or relevant teaching qualification
Experience of working as a Beach Lifeguard
- Experience:**
- Essential:** At least two years' experience of running SLSGB courses for a variety of participants.
- Desirable:** Experience in a training and/or assessing role from another educational establishment

Recent experience and competence in training and awarding systems and procedures

Experience in teaching, such as:-

- Running long-term training programmes (1-year or more)
- Teaching a wide range of participants (age, ability, aspirations)
- Teaching participants in various subject areas

Knowledge

Essential

Knowledge and understanding of:

- The Trainer Assessor award syllabus
- SLSGB education pathway and the structure of Surf Life Saving
- The role and skills of the Trainer Assessor Trainer

Desirable

Knowledge and experience of working with qualifications and National Occupational Standards
