| <b>Award Aims:</b>  |  |
| <p>By the end of this award candidates will be able;</p> <p>To provide a standard for the operation of an IRB as a Driver for IRB Sport only. This qualification does not qualify a person to operate an IRB for rescue or safety cover purposes. It is designed as an entry level award for IRB Sport with the intention of allowing the participant to be coached and attain the IRB Sport Skill Awards. As IRB Sport does not normally take place in a surf environment; limited knowledge and experience of driving in surf is expected at this level. It is important that someone holding this award is fully aware of the limitations of this award and of their own capability.</p> |  |
| <b>Award Learning outcomes:</b>   |  |
| <ol style="list-style-type: none"> <li>1. Explain and demonstrate the equipment technical knowledge needed for Inshore Rescue Boat Sport Driver</li> <li>2. # AWARD SPECIFICATION

## Assessment Process:

- Complete the syllabus for the assessment.
- A qualified SLSGB Powercraft Assessor must undertake assessment of this qualification.
- Submit a completed training log and medical declaration for each candidate to the Assessor.
- Each candidate completes verbal questioning from a series of relevant questions based on the IRB Manual with a 90% pass mark.
- Each candidate completes Part A: Fitness and Theory Testing.
- Each candidate completes Part B: IRB Operations and Rescue Techniques.

## Typical format of delivery:

- The use of all IRBs for training and assessment purposes should be carried out in accordance with the most recent SLSGB policy statements for powered craft. The assessment should be carried out in conditions appropriate to the conduct of IRB Sport in a controlled competition environment whilst maintaining a high level of safety at all times.
