CLOSING DATE FOR ENTRIES IS Monday 1st August at 6pm

Regulations and Conditions:

Rules for the Event:

The Championships will be run under ILS Rules same as the 2022 ILS World Championships.

Eligibility:

The championships are open to members of SLSGB and /or SLSA Wales. All competitors named on the entry form must be paid up members of SLSGB or SLSA Wales and a member of an affiliated club by the closing date of entries. Competitors whose membership is received by SLSGB after that date will not be eligible to compete in this Championship.

All competitors must be in possession of the relevant qualifications at the time that the entry form is lodged with SLSGB or SLSA Wales.

Event Preparation:

After all entries have been received and checked for confirmation of membership and lifesaving qualifications as required, the information will be collated. A list of the individual, pair and team entries in club order will be produced and sent by email only to the designated contact within the Club for all clubs entered.

Clubs should ensure that their Team Manager, if not the designated contact, is given a copy of the entry list information and has a copy of the entry forms before they are submitted. This will enable checks as to the accuracy of the entry lists.

A summary of the entry fees required will also be given to each club. A final pre-Championship circular will also be distributed by email at this point to give instructions to all clubs regarding access to the venue/storage of gear trailers etc.

Team Managers must check the entry lists to ensure that all entries for his/her club are listed and accurate and advise by email up to five days before the event of any queries or omissions. **After this time no amendments can be made, even if SLSGB has made the error.**

Each club will be required to give a contact mobile number to enable organisers to make contact in case of further query. This number will also be used to receive by text any late changes to programme based on the number of confirmed starters, start times or venues if required, and to confirm the start time and venue for the Team Managers' Meeting on the opening day of the Championships.

It is not necessary to name the individuals in paired and team events. However all competitors must be named on the entry sheet so that qualifications can be checked

Cancellation Policy:

From the moment SLSGB begin to organise an event, we start to incur costs. Member's entry fee is invested into the cost of staging the event; hiring facilities, hiring and buying equipment. In short, organising any event requires a considerable amount of forward planning, risk and expense. Once you pay your entry fee that money is spent and with it SLSGB aims to provide you with a race. In open water competition, adverse weather can create extremes in heat or cold, storms, dangerous surf or swell and associated dangers for competitors. Man-made disasters such as pollution of the water and beach cannot be discounted.

SLSGB organising committee shall prepare a contingency plan to ensure the protocols and procedures are in place in the event adverse weather or other conditions threaten to prevent the conduct of part or all of the competition.

The contingency plan shall:

Identify the decision-making authority and protocol for suspension, cancellation, postponement, or relocation of part or all of the competition.

Identify alternative locations where part or all of the competition may be safely conducted within the timeframe set down.

Specify the responsibilities and procedures for communicating decisions and directions concerning suspension, cancellation, postponement or relocation.

Outline the logistical plan for relocating competitors, competition personnel and equipment to an alternate location.

Outline the responsibilities for event set-up and re-scheduling at the alternate location(s).

If an event must be postponed or cancelled for safety reason, including inclement weather, concerted effort will be made to notify those who have pre-registered and have provided a contact phone number or e-mail address. If an event is to be rescheduled, all members will be notified of the new event date (if time scales allow). If an Event cannot be rescheduled or run later in the day there will only be a percentage of entry fees refunded after all running cost have be calculated.

Parking Permits:

Parking has been arranged for the Beach Road car park and will be free of charge if displaying an SLSGB parking permit. Parking is limited so SLSGB cannot guarantee a parking space as each day will be a first come first parked. Permits will be issued to the club and ordered through the entry pack.

Branksome Chine is well served for Parking and has over 700 off street parking spaces within 900m of the competition beach; in addition the surrounding roads within a 1m radius currently have over a 1000 on street free parking spaces (the council do not allow overnight staying).

Over 1000 free on street parking spaces are available including on;

- Westminster Road
- Dalkeith Road
- Lakeside Road
- Western Road

Event Wristbands

Due to the licence agreement to run the event on the beach there will be some restricted areas and wristbands will have to be worn to show security you are part of the event. Wristbands will be issued to all competitors / Officials through the entry packs and for spectators will be collected from the event caravan.

Team Manager's Meeting:

All Team Managers must attend the Managers' meeting.

Failure to attend this meeting and pay the required fees at the correct time will mean that the Club's participation in the event will be at best delayed and at worst may be denied completely by the organisers.

Consent:

Team Managers must be aware of any medication necessary for team members.

We strongly advise that all team managers, officials and helpers involved in the event, should be registered with, and cleared by, the Club Safeguarding Officer and where appropriate relevant checks are completed.

There will be a nominated official at the event to which any concerns should be raised.

By entering the competition you agree that SLSGB events are held in public places and by participating in these Championships competitors may be photographed and these may be published in the public domain.

If you do not give consent for your child to have photographs taken and possibly used for promotional purposes which may include media, social media and website images, at SLSGB events, it is your responsibility to register with the National Safeguarding Manager or Event Manager at the SLSGB event HQ at the beginning of the event.

Competitor Numbers:

Each competitor must have their club number marked clearly on the back of their right hand at all times. On the back of their left hand, they should have their age group marked if applicable. This is essential for the recording process to operate effectively, as the recorders will only record the numbers of the competitor against the placing on their sheets.

It is essential that all competitors have the number clearly displayed and can show it to any official when requested. Failure to do so could lead to the competitor being disqualified.

Point scoring/Medals:

The top 16 placed competitors/teams will score points as follows:

| | Individual/Pair | Team | | Individual/Pair | Team |
|-----|-----------------|-------------|------|-----------------|-------------|
| 1st | 20 points | 30 points | 9th | 9 points | 12 points |
| 2nd | 18 points | 27 points | 10th | 8 points | 10.5 points |
| 3rd | 16 points | 24 points | 11th | 7 points | 9 points |
| 4th | 14 points | 21 points | 12th | 6 points | 7.5 points |
| 5th | 13 points | 19.5 points | 13th | 5points | 6 points |
| 6th | 12 points | 18 points | 14th | 4points | 4.5 points |
| 7th | 11 points | 16.5 points | 15th | 3 points | 3 points |
| 8th | 10 points | 15 points | 16th | 2 point | 1.5 points |

Note that B finals will not be run in the Beach Sprint or Beach Relay events – in which case the placing's for 9th to 16th will be determined from the semi-final placing's and the points for 9th and 10th place added together and divided by 2, and so on for 11th and 12th, 13th and 14th, and 15th and 16th places.

Thus places 1 to 4 will qualify for the A final, 5th place in each semi-final will receive 11.25 points, 6th place 8.25 points, 7th place 5.25 points and 8th place 2.25 points. A similar allocation of points will be made for the Beach Relay event.

Club Place Judges/Helpers

Please note that in order to manage the number of competitors anticipated the events will run in two arenas at the same time. Each competing club will be required to supply at least one place judge/helper for the duration of the event.

| | |
|---|--|
| Total Competitors Entered between 5 and 10 | 2 place judges/helpers supplied in total |
| Total Competitors Entered between 10 and 15 | 3 place judges/helpers supplied in total |
| Total Competitors Entered between 15 and 20 | 4 place judges/helpers supplied in total |

| etc... | |

Water Cover:

At least one of those nominated as helpers will be required to provide additional in-water safety cover using a rescue board from time-to-time as required by the organisers, and must be suitably qualified to do so. If there are insufficient place judges/helpers volunteer to help, the organisers may be forced to cancel one or more events on the day; no refunds will be made on entry fees if this is the case.

Nipper Boards:

All club Nipper Boards will be gathered into a central pool and used in that way – each club is therefore requested to ensure that their club name is clearly marked on the board so that it can be identified when the pool is dispersed. Clubs are required to provide enough boards for both the boys and girls in their largest age group; this would enable us to use two arenas needed.

Private boards, which are not part of the pool, will be to one side and will not be allowed to be moved unless directed by the referee.

Qualifications required to compete in water events only:

Competitors wishing to enter beach events only do not require any qualifications. However, the following qualifications are required for participation in all water events

8-9yrs old and under to compete – Nipper Bronze (Nipper Level 2 award or above)

10, 11, 12, 13yrs old and above to compete – Nipper Silver (Nipper Level 3 award or above)

Competitor Clothing, Costume and Hats:

It is compulsory for all competitors to wear the visibility competition vest when competing; it is recommended that all competitors in craft events wear helmets, clearly marked in club colours.

Club caps are to be worn in all other events, including in craft events where a helmet is not worn.

Caps must be tied securely under the chin and worn on the head at the start of each event.

RETURN OF TROPHIES

All trophies must be returned to SLSGB by 8.30am on the first morning of the Championships. Non-return of trophies is regarded as a serious matter and any club not returning trophies by the deadline may be subject to disqualification from the Championships. It is extremely disappointing for any competitor not to receive the trophy he/she has won at the presentation ceremony.
